**Westerly, RI – The Jonnycake Center of Westerly** invites Rhode Island residents age 18 and older to participate in a six-week paid job training beginning July 29, 2019. The Westerly Regional Real Jobs Program, part of Real Jobs Rhode Island, offers meaningful help for individuals seeking employment while looking to upgrade their skills. The program features training in soft skills, computer skills, résumé writing, and interviewing strategies. Certifications in Microsoft Word, Excel, PowerPoint, ServSafe Alcohol, and ServSafe Food Handler are awarded. At the end of the training period, participants are placed in a paid internship at a local business. Candidates will emerge from the program with new certifications and improved workplace skills.

“The Jonnycake Center is pleased to offer this important educational program to the public,” said Lee Eastbourne, Executive Director. “With the national unemployment rate at 3.6 percent [as of June, 2019], we must keep our local workforce hireable and current in their skills and certifications. We hope that by offering paid workforce training, southern Rhode Island residents will be able to find a great new job without being overly burdened by gaps in their finances. Anybody looking to stay competitive in the job market is invited to participate.”
